- Infantry/Armour/Artillery.** In addition to the general eligibility, applicants must have a First Degree from a recognized University.
- Signal Corps.** In addition to the general eligibility, applicants must have a First Degree from a recognized University/Institution in any of the following:
 - Telecommunication Engineering.
 - Computer Science.
 - Computer/Software Engineering.
 - Instrumentation/Systems/Network Engineering.
 - Physics/Mathematics.
- Engineer Corps.** In addition to the general eligibility, applicants must have a First Degree from a recognized University/Institution in any of the following:
 - Civil Engineering.
 - Electrical/Renewable Energy Engineering.
 - Mechanical/ Agricultural Engineering.
 - Building Technology/Construction Management.
 - Geomatic/Geodetic Engineering.
 - Structural Engineering.
 - Real Estates.
 - Project Management.
- Electrical and Mechanical Engineers Corps.** In addition to the general eligibility, applicants must have a First Degree from a recognized University/Institution in any of the following:
 - Agricultural Engineering.
 - Material Engineering.
 - BTech (Automobile).
 - Electrical/Electronics/Mechanical/Biomedical Engineering.
- Military Police.** In addition to the general eligibility, applicants must have a First Degree from a recognized University/Institution in any of the following:
 - Forensic Science.
 - Sociology/Psychology.
 - English Language or French.
 - Political Science.
 - Physics/Chemistry/Biology/Mathematics.
- Ordnance Corps.** In addition to the general eligibility, applicants must have a First Degree not below Second Class Lower from a recognized University/Institution in any of the following:
 - Chemistry/Biochemistry.
 - Logistics/Procurement and Supply Chain Management.
 - Warehouse Management.

- Graphic Design/Publishing Studies.
 - Industrial Art.
 - Fashion Design/Textiles.
 - Ammunition Technology/Explosive Ordnance Disposal Level 3.
 - BSc Chemistry/Biochemistry/Chemical Engineering/Physics.
- Supply and Transport Corps.** In addition to the general eligibility, applicants must have a First Degree or Equivalent from a recognized University/Institution in any of the following:
 - Logistics/Procurement and Supply Chain Management.
 - Transport Management.
 - Purchasing and Supply.
 - Pay Corps.** In addition to the general eligibility, applicants must have a First Degree from a recognized University/Institution in any of the following:
 - Accounting.
 - Finance.
 - Economics.
 - Commerce.
- (5) Alternatively, applicants with CA (Ghana), CIMA, ACCA, CPA, ICSA are eligible.
- Information Technology.** In addition to the general eligibility, applicants must have a First Degree or Equivalent from a recognized University/Institution in any of the following:
 - Computer Science.
 - Computer Engineering.
 - Information Technology.
 - Network/Software Engineering.
 - Cyber/Forensic Security.
 - Network Security.
 - Information Technology Systems Auditing.
 - Education Corps.** In addition to the general eligibility, applicants must have a First Degree from a recognized University/Institution in any of the following languages:
 - Education.
 - Language Translation/Interpretation in Arabic, Russian, Chinese.
 - German and Portuguese as third language may be preferable.
